

Downloading the Berkeley Madonna Compartment Modeling Program

We will be using this program for developing compartment models. Go to their web site to download a version of the program that can be run in a demo mode (models and graphs cannot be saved):

<http://www.berkeleymadonna.com/> and look under “Download”.

Or go directly to:

<https://berkeley-madonna.myshopify.com/pages/download>

You should see the following web page that will allow you to download a version for either MS Windows or Apple Macs.

Download

Macintosh	Windows
1. Download Berkeley Madonna 10 for macOS 2. Double click the installer and drag the app to your Applications folder.	1. Download Berkeley Madonna 10 for Windows 2. Double click the installer and follow the instructions provided.

Continue reading further down the page to see some instructions for older versions of the program.
